

You are Invited to Attend a Free Webinar

"Endangered Forests, the Lacey Act & What Printers Can Do to Minimize Risk"

What: "Endangered Forests, the Lacey Act & What Printers Can Do to Minimize Risk" webinar

When: September 8, 2010 at 11:30 EDT

Where: Your computer! [Click here](#) to register for this free webinar.

SGP and Canopy (formerly Markets Initiative) will host a free webinar on September 8th, 2010 entitled "Endangered Forests and the Lacey Act - What Printers Can Do to Minimize Risk." SGP and Canopy will discuss the critical role printers have in protecting endangered forest lands. David Podmayersky of Earthcolor will review what Earthcolor has done to influence others. Other topics include the SGP-Canopy Alliance, the current state of global forest and paper issues, resources for finding eco-paper and information on forest conservation issues, the Lacey Act and its requirements, and the Canadian Boreal Forest Agreement.

About the [Sustainable Green Printing Partnership](#)

The SGP Partnership is a non-profit organization that promotes reducing the environmental impact and increasing the social responsibility of the print and

fulfills the 'sustainability policy' and exceeds the 'responsible materials sourcing' components of SGP's Certification Criteria.
